well i can't afford to bleed my blood is purest speed
born
from a restless seed on the gypsy road that's me well
your chance is fifty
and four to ralize my score nothin' to tie my down i'm
cheaper
than a drug hound well i don't need you nor more
i just can't wait to say to you goodbye today well
i can't tell you thousand lies the difference is in the
eyes
this life is built on sin it's deeper than the shit we're in
well
i don't need you anymore i just can't wait to say to you
goodbye
today no way you ain't the reason to stay
