Hizashiburi no kimi no half smile
Wasurerarezu hajimaru genesis of next
I can't get you out of mind
Hitori tatazumu Please tell me why...
But there's no easy answer

genesis of next
Please tell me! Is this a test?
Hey baby, do you need some help?
You are alone... lonely planet

genesis of next
you just get into
alone on this planet
lonely planet

Mata nozoita itsu mo no kagi ana
Yami ni ussura jibun no kage dake
Nokotta kizu boku wa iesezu
Soko wa lonely planet

Mitsume au shunkan toki ga tomatta
Jyareau kotoba subete ano mama
Toki no itazura daki ai nagara
Tobira wo shimezu tobi dashita...

I can't get you out of my mind...

Kagirareta sekai no naka
Anata wa ima nani shiteru no
Mitasarenai yokubou wo
Chotto shita wagamama butsukete

Ikiteiru dake datte
Totetsumonai kotona no ni ne
Koibito no aijyou toka yakimochi ni
Toki wo torare namida nagashi

21st century hontou no ai
Tonari no seki no otoko to
Igami atteru baai jyanai

Samishi gatteru basho jyanai

21st century hontou no ai
Furite kuru hikari wo miyou
Nan ka ime-ji wo tsukamou
Nan ka fure-zu wo sagasou

Sagasanakute iikarane dakara
Watashi no koreppocchi no yume nante
Kakera dake de iikarane soshite
Ai wo dare ka ni agete hoshiino

Nigete onegai moshi ima nani mo kamo kuzurete
Sukui motomeru shigunaru de saemo
Watashi no toiki saemo todokanakutemo
Ashita wo kesazu ni ikireru kana
Ikireru kana ikireru kana...

Akai sora wo jiyuu ni tobu tori ga
Hane wo yasume kimi no soba ni nemuru
Yume no naka de kimi wo sagashi mitsuke
Itoshii lonely planet

Devil in my shoes!
You left me alone...
and you're gone...

Nureta hoho wo kaze ni sarashite
Hoshi wo mi age
Mune ni chikau

Omoide no uta
Kuchi zusande
Kioku wo sotto
Taba nete iku

Yasashi sugita
Kotoba ni yurare
Namida nagashite
Hohoemitai

Okotta kizu boku wa iesezu
Soko wa lonely planet

Kagirareta sekai no naka
Anata wa ima nani shiteru no
Mitasarenai yokubou wo
Chotto shita wagamama butsukete

Ikiteiru dake datte
Totetsumonai kotona no ni ne

Koibito no aijyou toka yakimochi ni
Toki wo torare namida nagashi

North, East, South, West
Hontou no ai natsukashii kotoba ni mayoi
Ima kangaete mireba
Kimi wa hitori de odotteita...

21st century hontou no ai
Furite kuru hikari wo miyou
Nan ka ime-ji wo tsukamou
Nan ka fure-zu wo sagasou

Ah...

Sagasanakute iikarane dakara
Watashi no koreppocchi no yume nante
Kakera dake de iikarane soshite
Ai wo dare ka ni agete hoshiino

Nigete onegai moshi ima nani mo kamo kuzurete
Sukui motomeru shigunaru de saemo
Watashi no toiki saemo todokanakutemo

Akai sora wo jiyuu ni tobu tori ga
Hane wo yasume kimi no soba ni nemuru
Yume no naka de kimi wo sagashi mitsuke
Itoshii lonely planet

Amai toki ni yurare sora wo nagame
Nemuru yoru no ame ni namida nagashi
Kako wo kabai itamu kizu wo ieshi
Asu wo kesazu ni ikireru kana...
