Life's a game, it's a mystery  
Which we give into  
Days go by, no lesson learnt  
Just things that we do  
Things change  
Even in my mind  
Not in my heart  
I am who I am  
And I'm here for you

One Life  
Show what's in your heart  
Love me like I love you  
One life  
Is all we get to live  
Time to set your heart free  
Chase the pain away  
Move on and don't give up  
This time it's all up to you  
You can love yourself too

Love is strange and heavenly  
Once you surrender  
Love begins within ourselves  
And makes up our lives  
Hold on  
To what life brings you  
Just be who you are  
You can lead the way too  
It's all up to you

One Life  
Show what's in your heart  
Love me like I love you  
One life  
Is all we get to live  
Time to set your heart free  
Chase the pain away  
Move on and don't give up  
This time it's all up to you  
You can love yourself too

Don't try to judge me  
You don't know how I feel  
Love me love me for who I am  
My Life I will  
Give it all  
Give it all to you  
Give it all

One Life  
Show what's in your heart  
Love me like I love you  
One life  
Is all we get to live  
Time to set your heart free  
Chase the pain away  
Move on and don't give up  
This time it's all up to you  
You can love yourself too  
It's all up to you  
You can love yourself too  
And it's al up to you  
You can love yourself too
