Amazing grace! How sweet the sound  
That saved the wretch like me  
I once was lost but now I am found  
Was blind but now I see

Was grace that taught my heart to fear  
And grace, my fears release  
How precious did the grace, grace appear  
The hour I first believed

When we've been there ten thousand years  
Bright shining as the sun  
We've known less days to sing God's grace  
Than when we first begun

Amazing grace! How sweet the sound  
That saved the wretch like me  
I once was lost but now I am found  
Was blind but now I see

[Incomprehensible] this amazing grace!  
[Incomprehensible] this amazing grace!  
This amazing grace! This amazing grace!  
Amazing grace!
