So glad I got good religion.
So glad I got good religion.
So glad I got good religion.
My feet been taken out the marly clay.

Ain't you glad I got good religion.
Ain't you glad I got good religion.
Ain't you glad I got good religion.
My feet been taken out the marly clay.

My day was monday,
When I got good religion.
My day was monday,
When I got good religion.
My feet been taken out the marly clay.

My day was tuesday,
When I got good religion.
My day was tuesday,
When I got good religion.
My feet been taken out the marly clay.

My day was wednesday,
When I got good religion.
My day was wednesday,
When I got good religion.
My feet been taken out the marly clay.

My day was thursday,
When I got good religion.
My day was thursday,
When I got good religion.
My feet been taken out the marly clay.

My day was friday,
When I got good religion.
My day was friday,
When I got good religion.
My feet been taken out the marly clay.

So glad I got good religion.

So glad I got good religion.
So glad I got good religion.
My feet been taken out the marly clay.

Ain't you glad I got good religion.
Ain't you glad I got good religion.
Ain't you glad I got good religion.
My feet been taken out the marly clay.
