I've been sinkin through the drain of love,
Lift my eyes to skies of up above.
Listen to me this is how I feel;
Since I knew you all my thoughts are real.
You're the only one I wanna do,
Everything's new
And it's all 'cause of you.

I've been moving cause my heart is true,
Telling everyone I know bout you.
Tell your mama that you won't be home,
Let your daddy know you're not alone.

All I wanna do is make you mine
I said I'd love you honey anytime
Don't believe the things they say about me
And all those things you know I'd never be.
You're the only one I wanna do,
Everything's new,
And it's all 'cause of you.
All cause of you, yeah.

Now honey, honey, honey I can walk, walk, walk
I caught you kneeling in the alley with the baby talk
Now listen to me baby if you can't sit still
I know your sister will

There ain't no blood on my hands love,
There ain't no blood on my hands love.
There ain't no blood on my hands love,
The sun is up and I understand it's me,
And it's all cause of you.

I've been moving cause my heart is true,
Telling everyone I know bout you.
Tell your mama that you won't be home,
Let your daddy know you're not alone

All I wanna do is make you mine,
I said I'd love you honey anytime.
Don't believe the things they say about me
And all those things you know I'd never be.

You're the only one I wanna do,
Everything's new,
And it's all 'cause of you.
All cause of you, yeah

Now honey, honey, honey I can walk, walk, walk
I caught you kneeling in the alley with the baby talk
Now listen to me baby if you can't sit still
I know your sister will

There ain't no blood on my hands love,
There ain't no blood on my hands love.
There ain't no blood on my hands love,
The sun is up and I understand it's me,
And it's all cause of you.
