Your cry seat
Has the smell of a whore
It might seem
Never fun anymore
Call up your thief
He knows the score
He lies believe
It's funny honey
It's a good night
For a crime in the dark
You saw light
Has the power to spark
I know you saw the kind of light
You had to find
The funny honey
Your siamese twin has gone to your head
The shining
Left a glow and you're dead
We say you ain't done
I don't fade a won
It's so lonely
I could see you were there
You tongue me
In the heart of your care
I know it's the same as it was
But you go and it's only because
