Baby, I feel good  
From the moment I rise  
Feel good from morning 'til the end of the day  
'Til the end of the day

You and me  
We live this life  
From when we get up  
'Til we go sleep at night

You and me we're free, yeah  
We do as we please, yeah  
From morning 'til the end of the day  
'Til the end of the day

Yeah, I get up  
I see the sun up  
And I feel good, yeah  
'Cause my life has begun

You and me we're free, yeah  
We do as we please, yeah  
From morning 'til the end of the day  
'Til the end of the day

'Til the end of the day  
'Til the end of the day  
'Til the end of the day

You and me we're free, yeah  
We do as we please, yeah  
From morning 'til the end of the day  
'Til the end of the day

'Til the end of the day  
'Til the end of the day  
'Til the end of the day
