Hits from the bong

Hits from the bong

Hits from the bong

Hits from the bong

Pick it

Pack it

Fire it up, come along

And take a hit from the bong

Put the blunt down

Just for a second

Don't get me wrong

It's not a new method

Inhale

Exhale

Just got an ounce in the mail

I like a blunt or a big fat cone

But my double-barrel bong

Is gettin' me stoned

I'm skill it

There's water inside don't spill it

It smells like shit on the carpet

Still it

Goes down smooth when I get a clean hit

Of the skunky, phunky, smelly green shit

Sing my song

Puff all night long

As I take hits from the bong

Hits from the bong y'all

Hits from the bong

Gonna get high

Hits from the bong

Gonna get high

Hits from the bong

Gonna get high

Hits from the bong

Gonna get high

Let's smoke that bowl

Hit the bong

And then take that finger off of that hole

Plug it

Unplug it

Don't strain

I love you Mary Jane

She never complains

When I hit Mary

With that flame

I light up the cherry
She's so good to me
When I pack a fresh bowl I clean the screen
Don't get me stirred up
The smoke, through the bubbling water
Is makin' it pure so I got ta
Take my hit and hold it
Just like Chong
I get the bowl and I reload it
Get my four-footer and bring it on
As I take hits from the bong
Hits from the bong
Gonna get high
Hits from the bong
Gonna get high
Hits from the bong
Gonna get high
Hits from the bong
Gonna get high
Hits from the bong
Gonna get high
Hits from the bong
Gonna get high
Hits from the bong
Straighten your dick out
Gonna get high
