"It's another one of them old phunky Cypress Hill things, you know what I'm

sayin'? And it goes like this:"

Hey, don't miss out on what you're passing

You're missing the hootah

Of the funky buddha

Eluder

Of your fucked-up styles, I get wicked

So come on as Cypress starts to kick it

'Cause we're like the outlaws stridin'

While suckers are hidin'

Jump behind the bush when you see me drivin'

By

Hanging out the window

With my magnum taking out some putos

Acting kind of loco

I'm just another local

Kid from the street getting paid from my vocals

Here is something you can't understand

How I could just kill a man

Here is something you can't understand

How I could just kill a man

Here is something you can't understand

How I could just kill a man

Here is something you can't understand

How I could just kill a man

Here is something you can't understand

I'm ignoring all the dumb shit

Yo, because nothing is coming from it

I'm not gonna waste no time fuckin' around my gat
straight humming

Hummin', Coming at ya

Yeah ya know I had to gatt ya

Time for some action

Just a fraction of friction

I got the clearance

To run the interference

Into your satellite

Shining a battle light

Sen got the gatt and I know that he'll gatt you right

Here's an example

Just a little sample

How I could just kill a man

One-time tried to come in my home

Take my chrome

I said, "Yo, it's on!"

Take cover son or you're assed-out

How do you like my chrome then I watched the rookie
pass out

Didn't have to blast him but I did anyway

That young punk had to pay

So I just killed a man

Here is something you can't understand

How I could just kill a man

Here is something you can't understand

How I could just kill a man

Here is something you can't understand

How I could just kill a man

Here is something you can't understand

How I could just kill a man

It's gonna be a long time before I finish

One of the many missions that I had to establish

To lite

My spliff ignite

You with insight

So if you ain't down, bullshit!

Say some punk tried to get you for your auto

Would you call the One-time and play the role model?

No! I think you'll play like a thug

Next you hear the shot of a magnum slug

Humming coming at ya

Yeah ya know I'm gonna gatt ya!

How you know where I'm at when you haven't been
where I've been?

Understand where I'm coming from
When you're up on the hill in your big home
I'm out here risking my dome
Just for a bucket
Or a fast duck it
Just to stay alive, yo I got to say "fuck it!"
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
"All I wanted was a Pepsi!"
"What does it all mean?"
