Fuck all y'all

I'm comin' of the wall

I got a nigga from The Source

Swingin' from my balls

Ughh!

Ya want me to set it

Well my MAC-11 takes unleaded

Let it rain

And jackin' out fire

What you're seein' when I'm takin' shit another level
higher

Now it's on

Ain't gettin' domed

Buckin' all these niggas 'till they all gone

Now we can roll to the east side of town

And I'm lookin' for a fat boy and a lotta (state of clown)

You better move your ass to this MAC-11

Pointed at your ass for the 1-8-7

"Yeah motherfucker, gonna break your back with this
shit. Hey motherfuckas:

move back! Yo, B-Real.."

I'm the head-hunter

You goin' under
Make a trophy
Call it the two-headed buster
On my mantle
Back in the temple
Givin' up the family
Up and down Central
Butt bloody
Anybody
Lookin' for a wide body
One body
Somebody
Some be testin'
Keepin' 'em guessin'
Smile on my face
Got the Smith & Wesson
Some be testin'
Keepin' 'em guessin'
Smile on my face
Got the Smith & Wesson
Some be testin'
Keepin' 'em guessin'
Smile on my face
Got the Smith & Wesson
Some be testin'

Keepin' 'em guessin'

Smile on my face

Got the Smith & Wesson

I ain't fallin' off like Humpty-Dumpty

Nigga you still wanna bump me

Still got the hand on pump

And now I'm thumpin' on 'em

Thumpin on 'em

See

Somebody, anybody scream

When I got the gatt with the big red beam

Now what if I moved it up right between your eyes

Now your chances are never

When you're lookin' at the slug at the of the barrel

Where ya gonna run when ya can't move further

Seven eighty one redruM with the Murder

Tie him up

Throw him in the trunk

Let the funk

Blow his earsdrums out

'Till he's bleedin'

Then let's get him weeded

It's the phunk Buddha

Let me do the

Ceremony up with the hoota

And the shooter

Some be testin'
Keepin' 'em guessin'
Smile on my face
Got the Smith & Wesson
Some be testin'
Keepin' 'em guessin'
Smile on my face
Got the Smith & Wesson
Some be testin'
Keepin' 'em guessin'
Smile on my face
Got the Smith & Wesson
Some be testin'
Keepin' 'em guessin'
Smile on my face
Got the Smith & Wesson
