Inhale, exhale repeated throughout intro]

[Intro: B-Real]

You know, there are times when, you run out of weed

There's no one you can call

But at last there is one person you can call - Weed Man

[B-Real]

I've had drop dates with no weed to smoke

No roaches, no nothin' when I need to take

Damn, where can I find some shit to puff on

damn I need the kye cause it's gettin' tough on me
(me)

Cause I'm a lumberjack and tree's

get chopped up and packed up and sold to D

Bolo's are free, did you hold one fee?

Herchers for the herbics no waterin' the seeds

Some of your friends just really see me

cause sussin' this, losin' no GHC

The pigs always wanna PH me, my gush hits harder
than some GHB

But some of these swine wanna hit off mine

I just sit back, recline, and never waste time

I'm the lead man, you read man, you need man

Call me and all inhale- "The Weed Man"

[Chorus: Sen Dog]

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), gettin' me HIGH!!

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), gettin' me HIGH!!

[B-Real]

You can always call me all day, all light

Service with a smile, make you feel all right (yeah!)

From college-heads, co-ex and dreadlocks

lawyers, teachers, doctors buy my stock

So many call on me for what I got

So many try to compete to take my spot

Caked out, how many dimes dropped?

How many times I lost one of my plots?

The competiton was to knock me out

The D.E.A. want to lock me out

Broke in my home tryin' to sock me out

But the true blue stoners never locked me out

I'm easy to find, call me whenever

You need some green and I'll make you feel better

I'm the lead man, you read man, you need man

Call me and inhale - "The Weed Man"

[Chorus: Sen Dog]

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), gettin' me HIGH!!

[B-Real]

I'm the most well-loved, bringin' the bud

Stickin' the club up, everybody ridin' my nuts

What? You say you want credit? You must be high

There's no free rides on my supply

Unless you're one of my friends you need no ends

just sit back and wait for the joint to begin

But if you know someone in need of this weed leaf

You can take my number down and beep me

I'll hook you up if you look me up

Just don't give my number to a rookie huh!

Then I'll cut you off and brush you off

Never trust you and won't discuss your loss

I'm the lead man, you read man, you need man

Call me and inhale - "The Weed Man"

[Chorus: Sen Dog]

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), gettin' me HIGH!!

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), Weed Man, Weed Man

(Inhale, exhale), gettin' me HIGH!!

[Outro: B-Real]

There it is motherfuckers, you run out of weed

Call somebody like me and I'll hook you up

No stems, no seeds and things that you don't need

That's right! I'm the Weed Man

Don't trip I got gush, for a high price hoe
