Whatta you know?] (3x)

B-Real:

Whatta you know? The nigga stole my dough

So I reached in the closet for the 4-4

[Whatta you know?] Jus' hold on, just wait a minute

It's gone, along with my big bad nickel-plated

Whatta you know? The fucker took my phone

I still can't believe that he robbed my home!

Whatta you know? I think he got to the herb

And the ferria, and the jewlery, and the Mausberg

Whatta you know? I can't find my keys to the 6-5

All the way live on D's

Whatta you know? I can't find my Rolex

With the 21 diamonds, shinin' on flecks

Whatta you know? When I find that mark-ass nigga,

I'ma cut out his fuckin' heart!

Sen-Dog:

Whatta you know? I came up on this baller

For the dollar and the weed sack, and his Impala!

Whatta you think, when you can't trust your so-called
homie

Like me, and you thought that you know me?

Whatta you feel, when you're lookin' in the closet

And the gat's gone, and so is your cellular phone?

Whatta you know? I took your loot and the jewels

With the buddah and the laptop in the nickel-plated
tool!

Whatta you know? Now I run the show

With the phat pockets and the nigga's fly gold

Wahatta you think, when ya ass gets jacked

By a homie who was supposed to have your back?

B-Real:

Whatta you know? I'm rollin' in my zone

And I think I see the puto who rigged my home

[Whatta you think?] I got the glock in the glove

Should I dump on the man, leave him lying in the mud?

Wahatta you know? He pulled out my 4-4

Now I got no choice, so I let it all flow

[Whatta you know?] The motherfucker's all blastin'

4-5 equal, in time for some tractions

[Whatta you know?] Slide action, no question

Forty-five slug is bad for your complexion

[Whatta you know?] The puto's cryin' like a bitch

Now the puto's lyin' in a fuckin' ditch!

B-Real (spoken):

[Whatta you know?] You can't even trust your fuckin'
best homeboy these days, homes.

[Whatta you know?] You got to sleep with one nine

fuckin' open ...

[Whatta you know?] Payback's a motherfuckin' bitch!

[Whatta you know?] That puto should've watched his
fuckin' back.

[Whatta you know?] (repeated till end
