I don't know how much longer

You're going to be here

So I say my prayers

Every night

One 4 my mother

One 4 my father

And one 4 the love of my life

So if you decide to leave today

Then leave tomorrow at the door

And take only

Half of yesterday

Forget all hope for the present

Cause it just went away

We were 5 steps

From eternity

4 steps

4 steps past love

And 3 wishes

From touching the heavens above

Another day is gone

Another night now dawn

Waiting patiently hoping you'll return
But not before long
Why'd you say goodbye
I still feel your presence
In my bed at night
And what was reality once
And only to find
Is now adding pain
For all man's scorn
Forced to wear the memories of pain
Alone with an empty heart
Now I sit in silence and begin to think
As laughter echoes through the air
I can't get you off my mind
But a whole new life
I could never bare
So now I lay
Me down to sleep
And I pray my Lord my soul to keep
And if I die, before I wake
Then I promise I'll be there for you always
We were 5 steps
From eternity
4 steps
4 steps past love

And 3 wishes

From touching to heavens above
