verse1 (Woody)

I'm gonna stay to myself

Where there's no one else around me

I'm gonna stay to myself

So there's no one else to find me

That's what I'm gonna do

My baby love if I can't have you

Maybe I'm better off on my own

verse 2 (Jazz)

If I pray to myself

Maybe God above will hear me

And if it is in his will

Then he'll send you right back to me

I'll hold my feelings inside so that you won't see me cry

I hope it's all in my mind cause I'm scared.

verse 3 (Nokio)

I'm gonna chill to myself

Leave the stress of a world from inside me

I'm gonna walk all alone

And leave all my troubles behind

That's what a man has to do

In his life just to make it through

I'm gonna chill to myself

chorus

(All Alone)

Since you left me baby I've been steady cryin'

(All Alone)

Wonderin' if you ever really truly loved me

(All Alone)

I'll never give my heart again

(Baby I've got to be alone)

Baby can't you see just what is happening to me

(All Alone)

Won't you come along and baby rescue me

(All Alone)

I can't stand being all alone

(And I'll Never)

Be alone again

bridge

Another time, Another place, Another love

Maybe it will happen then, but I won't live my life on
faith

So I'll keep my tears inside and drift away

Where I'm all alone

chorus
