Woody)

Loving you is all i need

Never take you love from me

Cause i think i would lose my mind if you would go
away

So,say you'll never leave my sad and that forever you'll
be mine

April Shower me with your love

And girl i'll give you all the love i have inside this heart
of mine

And yes i swear that i'll be here for you forever and all
time

So,if ever you feel lonley all you have to do is call me

And i'll be there to shower you with my love

(2nd verse)

Heavean must of smiled on me

Like it did the earth that day

When god created the sun and said let there be light

So i write your name across my heart

And proclaim it to the stars above

Oh April Shower me with your love

And girl i'll give you all the love i have

Inside this heart of mine

And yes i swear that i'll be here

For you forever and all time

So if ever you feel lonley

All you have to do is call me

And i'll be there to shower you with my love

Baby

Yea,Yea,Yea,Yea,Yea,Yea,Yea,Yea,Yea

Oh,oh,oh,oh,oh,oh,oh

Du,du

I love you,I need you,Your my heart and soul

So don't you ever go away
