JD:

You wanna dance?/

I'ma make you dance/

You wanna move?/

I'ma make you move/

Dru Hill come on/

Dru Hill:

I got this feeling/

And I can't/Turn it loose/

That somebody else/Is getting/

Next to you/Can't walk around/

Like I was your fool/

Cause being/Who I am/

I can't lose my cool/

My friends keep telling me/

bout things going on/

But deep in my heart babe/

I hope that I'm wrong/

Somebody's sleepin' in my bed/

Messin' with my head/

Takin' my place/

(Somebody's sleepin'/In my bed)/

Sleepin' in bed/

Messin' with my head/

Takin' my place/

(Takin my place/Oh oh)/

I come home early/

Expecting your warm embrace

But something's wrong/

Cause it's written/On your face/

(Written on your face)/

Said it hurts/So bad/

When I walk/Through the door/

But you know one thing/

I ain't comin' back no more/

Don't try to tell me/

Things are still the same/

Cause when we made love/

I heard you call out his name/

Somebody's sleepin' in my bed/

Messin' with my head/

Takin' my place/

(Somebody's sleepin'/In my bed)/

Sleepin' in bed/

Messin' with my head/

Takin' my place/

(Takin my place/Oh oh)/

What else did you want?/

What else did you need?/

Giving you everything/

Plus my heart/

I gave you the world/

(Yes I did)/

Cause you were my girl/

(Oh yes I did)/

But you still/Ran out on me/

JD:

Uh/Fly shit/Different colors whips/

I got plenty big hits/All kinda dips/

Got too many/

Da Brat:

My life ain't complete/

If I ain't got no buzz/

And can't nobody/Do it like we does/

It's a must brat bust/Any mic ya hand to me/

And represent/For the rest/Of the family/

JD:

Well I'm known for makin' moves/

On my own big songs/

And now I keep it comin' strong/

Till the early morn come on/

Da Brat:

Lemme interrupt/

Your regular schedule/

Twistin' off/High levels of bubonic/

Chokin' amateurs/Till they vomit/

JD:

I make em sick/Cause I'm the williest/

Da Brat:

Too much for you/To deal with/

My niggas that ride quick/

Survive or die bitch/

JD:

Why switch/This remix hurts/Everyday/

It's like this/And I never stop/

Puttin it in work/

I rock from L.A./To Dru Hill/

Something you can feel/

All I'm about/Is that dolla dolla bill/

What the deal?/

Da Brat:

Funkier than parliment/

Stay bent behind tent/

Keep niggas payin' my rent/

My goldier scent lingers/

VVS describes best/What's on the fingers/

JD:

We make believers out of dreamers/

Somebody's sleepin' in my bed/

Messin' with my head/

Takin' my place/

(Somebody's sleepin'/In my bed)/

Sleepin' in bed/

Messin' with my head/

Takin' my place/

(Takin my place/Oh oh)/
