Mmmmm
Mmmmm baby
Baby
Hey
Come on
Come on baby (come on baby)
Come on baby (come on baby)
Hey
Oh yeah
Hit me off, hit me off, hit me off now
Baby
Come on baby
Come on baby (come on baby)
Alright
All night

Warm night
Can't sleep
Too hurt
Too weak
Gotta call her up
I-I-I-I-I-I gotta call her up
Dial that number
No one answers
'Till 2 o'clock (2 o'clock)

And if by chance
You'll let me come over
Out on the street
I wanna see you baby
Get my chance
And if by chance you'll let me just hold ya
I'm down on my knees
I want to please you baby
Hey
(I'll be a righteous lover)

She says
Sugar
Honey
Darling

I really wanna see you too (I wanna please you yeah)
She says
It's just that someone's over
And baby, I really wanna be with you
Say yeahhh
But if by chance
You'll let me just hold you
I'm cold and I'm free
I want to see you baby
When in need
You said you would be here
You hold the key to my very being baby, I
(I love you baby)

If you find that special lover
Love keeps you tied to another
That's the way it goes on love's train
Sometimes heart strings can be broken
But you just have to keep on going
That's the way it goes on love's train
Ah yeah
Baby

If you sorrow you've been soakin
You've just got to keep on strokin
That's the way it goes on the love train
Oh

If you are that special lover
Love gives you time to another
That's the way it goes on the love train
(I said I could feel it, now)

On a warm night
Lady wants her baby so she calls him up
Dial that number,
No one answers till 2 o'clock
If by chance you'll just come over
Cause darling, please
I've got to see you baby
And when I need you you said you would be here
And now I'm in need and
(I love you darling)
If you find that special lover
Love keeps you tied to another
That's the way it goes on Love's train
(Don't need no, don't need no ticket to ride)
Sometimes heart strings can be broken
But you just have to keep on going
That's the way it goes on love's train
(Listen babe, listen baby, babe)

If it's sorrow you've been soaking (????)
You just have to keep on stroking
That's the way it goes on love's train
(Love's a hurtin' thang, don't it make you you wanna
cry, c'mon)
If you find that special lover
And love keeps you tied to another
That's the way it goes on love's train
(Find yourself alone)
Sometimes heart strings can be broken
But you just have to keep on strokin'
That's the way it goes on love's train
(In time everything's gonna be alright)
If it's sorrow you've been soaking (???)
You just have to keep on strokin
That's the way it goes...(fade out
