I know you what's your name

Play your game I think I may

Your eyes unique your breast your feet

Oh please tell me baby

Chorus:

Are you a real freak, baby tell me

Baby tell me , tell me what's it gonna be

Is it gonna be on the floor by the sofa

Or on the door then back on the floor like we did before

Baby straddle me by the T.V.

Baby tell me are you really a real freak?

You the ish Chinky Brown Eyes you so fly

Tell me what you like let me hit it from the back

Let me nibble on you neck

Let me make you soak and wet

Baby tell me won't you let me?

Chorus

Seems like you wanna be holding me, touching me

But I can't tell if you want me

Do you want me

Do you need me

Are you gonna love me

Baby show me

Chorus
