Verse 1:

I've been waiting for a love like yours
To come and knock at my door
So tell me what you're looking for, baby
See I've been waiting for a lifetime
Just to meet love again
So take my hand, and let me lead the way

Chorus:

You're the one for me
And I'm the one for you
So come share my world
With me
You're the only one
The one that I adore
So come share my world
With me

Verse 2:

See, you're as lovely as a ray of sunshine
I wanna make you mine
Until the end of time, yes I do
There's no other

That can take your place

I wanna feel your warm embrace

I wanna feel your body baby

Chorus

So take my hand and follow me

I wanna show you things

That you've never seen

True love, true love

Is so hard to find

I wanna be yours forever baby

And you'll be ine, ohhhhh

Chorus until fade
