Tell me..Woody..Tell me...Bring it on

CHORUS:

Tell me what you want baby

I'll give you what you need

Tell me what you want baby

And that you shall receive

(repeat)

(WOODY)

Anything is possible,

anything can be,

cause of all the things you like,

I got what you really need, oooh, ????

Just a ride around for show,

oooh, just let me know

(CHORUS)

Oooh, Sisqo, Girl like I told you,

I can serve it on the freaky side,

up on the windowsill, is that what you like?

Turn on R. Kelly baby,

make yourself at home,

and I don't see nothing wrong,

with loving you all night long,

Tell me what you want baby

I'll give you what you need (give you what you need)

Tell me what you need baby

And that you shall receive (baby, I got it, yeah)

Tell me what you want baby (You've gotta believe it)

I'll give you what you need (Oh yeah)

Tell me what you want baby

And that you shall receive

Tell me

(RAP)

Yo, listen I played the field long enough,

I need me a dime by the brown with a big behind,

and an intelligent mind, let it speak,

Tell me what you want, and that's you,

so I worship the ground you walking on,

it's steady, check you off and on When I get out the life
of learning and earning,

I'ma bless you, undress you and ??

Yo, give me your address,

forgot to tell the furniture spot were to deliver at seven
to nine

When I lay you down I can feel your body calling me,

telling me I need to freak it till I make you scream,

Girl I can make you feel alright,

if you let me get in, (alright, Tell me) and I can make
you fall in love,

You need to tell me baby, yeah,

Tell me what you want (alright, alright, alright now)

Tell me what you need,

Tell me what you need now

Tell me what you want baby,

and that you shall receive (said tell me what you want)

Tell me what you want Baby I'll give you what you need
(said I'll do anything baby)

Tell me what you want baby

and that you shall receive (tell me what you want babe)

(repeat last three lines above)

Tell me what you want (I'll do anything)

Tell me what you want baby and that you shall receive
(tell me what you want babe)

Tell me what you want (what you want? Tell me)

Tell me what you want baby and that you shall receive

Tell me what you want baby I'll give you what you need

Tell me what you want baby and that you shall receive,

Tell me what you want baby, I'll give you what you
need(tell me)

Tell me what you want baby and that you shall receive
(Tell me)

Tell me what you want (tell me)

Tell me what you want baby and that you shall receive
(tell me)

Tell me what you want(Tell me ...babe, please)

Tell me what you want baby and that you shall receive
(tell me)

Tell me what you want (Please... tell me)

Tell me what you want baby I'll give you what you need

(DRU HILL.... TELL ME)
