I just can't believe it girl

I can't believe that it's over

But I'm your man, and I'll be alright

But still, the love we had, stays on my mind

Verse 1

Lately baby, I've been thinking

How good it was when you were here

And it ain't the wine that I been drinking

For once I feel my head is clear

Bridge

But early this morning, when I opened my eyes

That old lonesome feeling, took me by surprise

I guess you meant more to me, than I realized

The love we had stays on my mind

The love we had stays on my mind

Verse 2

And pretty girl, I've been remembering

The good times that we used to share

My thoughts of you, don't have an ending

And the memories of you are everywhere

Bridge

But why should I tell you

It's not your concern

You win some, you lose some

I've lost and I've learned

It's just that I'm so lonely

With no place to turn

And here at the end, I find...

Yes I do

Pre-Chorus

The love we had stays on my mind

Chorus

Girl if you were nearer

If you had a mirror

Maybe you could count my tears

And if you were nearer

It would all be clearer

How I wish that you were here

(How I wish that you were here)

Verse 3

And baby girl

I was tired

So I laid down to dream for a while

But lately I've been so, so uninspired

Without the comfort of your smile

Bridge

But I'm not complaining

Cause that's how it goes

There's always some heartache

In this world I suppose

But you can't imagine

But nobody knows

The love we had stays on my mind

The love we had stays on my mind
