Spoken}:

I just cant believe it girl

I cant believe that its over

But Im your man and Ill be alright

But still the love we had

Stays on my mind

Lately baby Ive been thinking

How good it was when you were here

And it aint the wine that I been drinking

For once I feel my head is clear

But early this morning when I opened up my eyes

That old lonesome feeling took me by surprise

I guess you meant more to me than I realized

The love we had stays on my mind

The love we had stays on my mind

And lately girl, Ive been remembering

The good times that we used to share

My thoughts of you dont have an ending

And memories of you are everywhere

But why should I tell you, its not your concern

You win some, you lose some

Well Ive lost and Ive learned  
Sisqos so lonely  
With no place to turn  
And here at the end, I find  
Yes I do  
The love we had stays on my mind  
Girl, if you were nearer  
If you had a mirror  
Maybe you could count my tears  
And if you were nearer  
It would all be clearer  
How I wish that you were here  
How I wish that you were here  
How I wish, how I wish  
How I wish that you were here  
And baby girl I was tired  
So I laid down to dream for a little while  
But lately Ive been so, so uninspired  
Without the comfort of your smile  
But Im not complaining  
Cuz thats how it goes  
Theres always some heartache  
In this world I suppose  
But you cant imagine  
But nobody knows

The love we had stays on my mind

The love we had stays on my mind

The love we had stays on my mind

(Repeat until fade
