These Are The Times

God knows that you're a sexy thang

It's taking everything in me

Not to kiss you over and under

Feel you inside, feel my thunder

How the hell could I not want you

Girl it don't have to be a thang

I'll wait for you, You wait for me (Baby)

Cause true love is insisting me

We don't have to rush at all (Baby yeah)

These are the times we all wish for

The moment we less means so much more

We don't have to do a thing at all

We can take our time and talk

And this is the way things need to be

No pressure from you and none from me

Just let the mood set the moment off

We can make love or not at all

Be thinking bout you all the time

Morning noon and supper time (baby)

Tear you up in little pieces

Swallow you like reeses pieces

Come on girl you know I need you

(I know) It ain't supposed to be a thing

(I know) I'll wait for you, you wait for me

(And I know) True love's assisting we don't have to rush
at all

These are the times we all wish for

The moment we less means so much more

We don't have to do a thing at all

We can take our time and talk

And this is the way things need to be

No pressure from you and none from me

Just let the mood set the moment off

We can make love or not at all

I don't make promises

Cause I know my heart gets weak

When I get around you girl

It makes them hard to keep

Cause you bring out the best

Make me the man

God knows I'm proud to be

Baby yeah

These are the times we all wish for

The moment we less means so much more

We don't have to do a thing at all

We can take our time and talk

And this is the way things need to be

No pressure from you and none from me

Just let the mood set the moment off

We can make love or not at all
