Intro):

Can I play for you baby

Hey yo Woody help me out yeah

Hey yo Jazz you chill for a minute ya know?

Uh uh uh yeah

You like that?

Gonna sing you a song

Listen

Last night we had an argument

Afterwards Im feelin pretty bent

Then I took a drink and I didnt think

What was in store for me

So I wrote a letter

Dropped it on the bedroom floor

I never felt this way before no

I grabbed my coat and closed the door baby, Im sorry

Baby Im sorry (Oh yeah)

Sorry for what Ive done (Will you forgive me)

Will you forgive me and let me be your only one

Cuz you are

1 - You are everything

And I would give you anything

Sorry for what Ive done

I wanna be your only one

Girl I apologize for all your tears

When you cried, sorry for what Ive done

I wanna be your only one

(Sing it Jazz)

Girl I apologize for all the tears

And all the lies

And if by chance just one more chance

I swear Ill be the epitome of a good man

Baby Im sorry (Im sorry)

Sorry for what Ive done (Baby)

Will you forgive me (Hey, yeah)

And let me be your only one

Cuz yo are

(Repeat 1)

oh, oh, oh, come on

You are everything

And everything is you

You are everything

Yo yo everything I do

You are everything

And everything is you

You are everything

Girl, youre everything I do

You are everything

And everything is you

You are everything

Girl, youre everything I do

Everything I do

(Repeat 1)

You are everything

And everything is you

You are everything

And everything is you
