In my hands you  
Placed your faith  
Should I let go or  
Hesitate  
Never good to be well  
Hangin' by your thongs  
Never good to be well  
Hangin' on to me

Chorus:  
In my head, these  
Memories return  
In my blood, these  
Memories that burn, these  
Memories that burn

In my heart you  
Staked your claim  
Should I forget or  
Love you just the same  
In my eyes you  
See your past  
In my future I'm  
Free at last

Chorus

I tried so hard to forget you  
If I only knew I'd regret you  
Try to forget, ah  
Take another turn, ah  
Try to forget these  
Memories that burn

Chorus

Try to forget, try to  
Take another turn  
Try to forget these  
Memories that burn, these  
Memories that burn, these
