I want a film star
I'm on the guest list
I want a sex life
I want a death wish
I want it all
I want it now
I wanna do it again
Again

We got sex and drugs and friends at the bar
We can stay up, talk for hours
It's ok, we're back in power
If we don't wake up
Sleep for hours
It's ok, we're back in power

Got a big car,
I'm on the rich list
I've got a love life
I've got a death wish
I want it all
I want it now
I want to do it again
Again

We got sex and drugs and friends at the bar
We can stay up, talk for hours
It's ok, we're back in power
If we don't wake up
Sleep for hours
It's ok, we're back in power

I can't ever be out of my head
It's all that I can do
It's easy
I won't ever be out of my head.
It's all that I can do.
It's easy.

We can stay up, talk for hours
It's ok, we're back in power

If we don't wake up
Sleep for hours
It's ok, we're back in power

We can stay up, talk for hours
It's ok, we're back in power
If we don't wake up
Sleep for hours
It's ok, we're back in power
