I I I I passed out
Again - Again
I I I I crashed out
For da-a-a-a-y-s

WHAAA

Late last night
They sent my life (someone correct?!)
Well toda-a-ay
looks the s-a-a-a-me
Takes some time to clear my mind
Strat aga-a-a-ain yeh
And bring me back one photograph
That I can take away
And always look the same
Tell myself why I'm better than that
And that I can cha-a-ange

But do you loveyourself?
yeh
Love yourself?
yeh
Love yourself?
Yeh Yeh Yeh woah Yeh
Like I love myself
Yeh
Love yourself
Yeh
Do you love yourself?
yeh yeh yeh yeh yeh

I I I I passed out
Again - Again
I I I I crashed out
For da-a-a-a-y-s

But do you loveyourself?
yeh
Love yourself?
yeh

Love yourself?
Yeh Yeh Yeh woah Yeh
Like I love myself
Yeh
Love yourself
Yeh
Do you love yourself?
yeh yeh yeh Woah yeh yeh

Under rage
All the rage
I dreamt to kill
For one more thrill
Under (fill)
Over made you
Look and say we're different
and come back again, yeah.

Do you love yourself? (yeah)
Love yourself (yeah)
Love yourself
Yeah yeah yeah woah yeah
Like I love myself (yeah)
Love yourself (yeah)
Do you love yourself?
Yeah yeah yeah woah

Do you love yourself? (yeah)
Love yourself (yeah)
Love yourself (yeah)
Love yourself (yeah)
Love yourself (yeah)
Do you love yourself?
Yeah yeah yeah woah yeah

if anyone can correct. Please feel free to mail me with
corrections!
