One last time and it's only the beginning I'm a real cool guy But it's all in my opinion I got kid's size, super size, over size, paralyze Kid's size, super size, over size, paralyze

I want more Gimme more Gimme one more I needed more Gimme more Gimme some much more I want more Gimme more Gimme one more Gimme one more Gimme what's yours Gimme one more Gimme what's yours One more time and it's only the beginning I'm a stand up guy But it's only an opinion Kid's size, super size, over size, paralyze I want more Gimme more Gimme one more I needed more Gimme more Gimme some much more I want more Gimme more Gimme one more Gimme one more Gimme what's yours Gimme one more Gimme what's yours

Nobody makes me happy Your money makes me happier My money makes you ugly Your money makes me lash out

I want more Gimme more Gimme one more I needed more Gimme more Gimme some much more I want more Gimme more Gimme one more Gimme one more Gimme what's yours Gimme one more Gimme one more Gimme what's yours.
