Chorus

Still thinking about you,  
But I'm living without you,  
Still thinking about you,  
But I'm better without you,

You're out of this world,  
You're inside my head,  
Like no other girl,  
And I la la la la la love you,  
Down on your knees,  
With nothing to say,  
But looking to please,  
And i think its time that i look for you under my skin,  
Or inside my bed with someone instead,  
And i la la la la la look through my pictures of you,  
With somebody who looks just like i do and I'll get me  
through,

Chorus

But I'm still thinking about you,  
But im living without you, yeeeeeee  
Still thinking about you,  
But im better without you, yeeeeeee

It's never too late,  
It's never too soon,  
You know that I'll wait,  
And i la la la la la look for you everyday,  
In every place, on every girls face,  
As if someone knew,

Chorus

But im still thinking about you,  
But im living without you yeeeeeee,  
But I'm still thinking about you,  
But im better without you yeeeeeee,

Now im worth it, now i've made it,  
Now im perfect, now im hated,  
Your not worth it, your not staying,

I'm not waiting there,

Chorus

Still thinking about you,

But Im living without you, yeeeeeeeh

Still thinking about you,

But im better without you, yeeeeeeeeeh

Still thinking about you (your outta my head)

But im better without you (your outta my head and I la

la la la la la look for you)

Still thinking about you (Every day,in every place)

But im better without you (on every face and I

lalalalalala love it)
