Start a new day

I'm on my way

A total stranger to what's ahead

Feeling afraid

And so I pray

For strength to make it once again

When I am on the run

I hear You saying to me

Chorus

He that dwells in the secret place

Of the Most High

Shall abide in the presence

Of His shadow

I will say to the Holy One

"You are my refuge

And wherever You lead me

I will go"

Say my goodnights

Turn out the lights

I know with You I'm safe in the dark

Through all my days

Lord I'm amazed

At how You've cared for me so far

Deep in my heart

Your words of peace impart to me

Chorus
