Wes King

Chorus

We're gonna reap what we've sown

'Cause His light shines on our darkness

But what really troubles me

Is what the seed may be

When it is grown

Cover up your deeds

Leave the scene so fast

Hide beneath the weeds

Like a snake in the grass

Slither so quietly

No one will ever know

But the tracks that you will leave

Someday will surely show

Chorus

Cover up your seeds

Pray the sun and rain will last

Keep cutting back the weeds

Watch for snakes in the grass

Chorus
