A showdown at dusk
This old town is lost
I'm flat on my back
And I can't see through the dust

But you never told me
That I was worthy
You didn't let me live
Just to hurt me

Desperate, we will lift up our hands
Stronger, we will rise up against
Freedom is a part of us all
It's time to let it go

Desperate, we will lift up our hands
Stronger, we will rise up against
Freedom is a part of us all
It's time to let it go

What happens now when I walk out of town
And the enemy surrounds me bent on hunting me
down?
I'll be moving silent while the enemy sleeps
I'll show no mercy like the first time when they came
after me

You'll never catch me
You'll never own me
Out on this lonely landscape I am free

Desperate, we will lift up our hands
Stronger, we will rise up against
Freedom is a part of us all
It's time to let it go

Desperate, we will lift up our hands
Stronger, we will rise up against
Freedom is a part of us all
It's time to let it go

I guess we figured it out

One by one we're picking them off
I guess we figured it out
One by one we're picking them off

I guess we figured it out
One by one we're picking them off

Desperate, we will lift up our hands
Stronger, we will rise up against
Freedom is a part of us all
It's time to let it go

Desperate, we will lift up our hands
Stronger, we will rise up against
Freedom is a part of us all
It's time to let it go
