I ain't got time to think about money or what it can buy  
And I ain't got time to sit down and wonder at what  
make the birdies fly.  
I don't have time to think about what makes the flowers  
grow,  
Ain't never give it a thought to where the rivers flow.  
Ain't got time for nothin' else.  
I ain't got time to discuss the weather, or know what's  
going on,  
And I ain't got time to do no studying once I get out of  
class.  
And I'm just a fellow with a one track mind, and when it  
comes to thinkin'  
About anything but my baby, I just don't have time.  
Ain't got time for nothin' else.  
I ain't got time to read a newspaper or look at T.V.  
'Cause I'm not concerned with what the future holds in  
store for me.  
I'm just a fellow with a one track mind, and when it  
comes to thinkin'  
About  
Anything but my baby, I just don't have time.
