Chorus:

Fill my cup to the top with running water  
call me out and show me how

come on you lately  
come on and rescue me  
be at you lately  
but I been more at me  
love is a lesson  
I never learned in school  
sick in bed that day  
and so I play your fool

sick of this seesaw  
of going up and down  
promised consistency to you  
in my wedding vow  
call me up  
whisper in my ear  
feel like a calendar  
from another year

(chorus 2x)

talk to me  
without manipulation  
shoot from your hip  
you'll shock the congregation  
wake me up  
whenever supper's ready  
break bread and wine  
but still I'm feelin empty

(chorus 2x)

You gotta show me how  
show me how

sock it to me

(chorus 4x)

you gotta fill

my cup  
to the top  
to the top  
to the top  
with your running water  
you gotta show me how
