Understand this shit nigga learn about it
Ay-thing a nigga spit need to know about it
Understand this shit, nigga learn about it
Ay-thing a nigga spit, nigga know about it
Soak it up, boy, ya know, ya know
Ya know, ya know, ya know

Smebbin' down the street in my 7-0
Bumpin' the beat sittin' on gold tippity toes
Went to the track to buy me some hemp
Some old nigga yells out, "40 you's a pimp"

I said, "Playboy understand my strategy
Got to know a little somethin' this dope game
Fall off into this catergory"
I'm from that real live shit fuck hannabera
I'm from the eighty four eighty fin era

I like to sake ?em up rattle, baby, got saddle
If the nigga had a sack could I fuck with that
Got to blowin' up her head with the chitter chatter
I'm out the roof of my coupe spittin' game at her

I likes to fuck and get up and get on
I'm eatin' steak on the bone
And steady stuffin' dick in her dome
I'm on the phone in my hot tube
Gettin' my back rubbed on

About to fall deep in the zone
Let a nigga kick back and put ten to the ceiling
Got my face in the pillow 'cuz I'm lovin' the feelin'
Ain't nothin' like nuttin' in her jaw
So damn raw, nipples pokin' out the bra

Man in the town I see
Undertakers, Captain Savers, Cape crusaders, A P.H.er
Plays in the game gettin' ratted on
A ba A bitches in the game gettin' over on

Never tell a bitch all your business
'Cuz one day she might be an eye witness

These are the things you need to know man
This shit I'm spittin', niggas don't understand

Understand this shit nigga learn about it
Ay-thing a nigga spit need to know about it
Understand this shit, nigga learn about it
Ay-thing a nigga spit, nigga know about it
Soak it up, boy, ya know, ya know
Ya know, ya know, ya know

Fools want to come up but ain't paid dues
Want to hang around a player lookin' for clues
Well in my younger days I did dirt
Put in work, I used to but ki's from Kirk

And nigga don't think that I wasn't the man
Out there jiggin', doin' all that I can
But now in 95 I done flipped the scrip
Hopin' muthafuckas understand this shit

We used to local till we signed with Jive
40 num num went nation wide
Who would ever thought that Earl, Earl
On the pitchers mound with the curl would be

One of the biggest things to that ever came out the V
Since Michael Copper and confunction barely
graduatin'
Hogan High School
Drunken, Hillside representative, sky unlimited, game's
unlimited
Magazine street pioneer Ex D boy ask my cousin Troy

Understand this shit nigga learn about it
Ay-thing a nigga spit need to know about it
Understand this shit, nigga learn about it
Ay-thing a nigga spit, nigga know about it
Soak it up, boy, ya know, ya know
Ya know, ya know, ya know

Man, 40 would you rain on me man, sprinkle me, man
Hey, would you tie my shoes lace me up or somethin'
Man I need to be sprinkled man Ay
Understand this shit, nigga know about it
Know about it

Kind of like when the drought
About to hit you need to know about it
You gotta done lived this shit to know about it
Teah, check game, a fool got at me the other day,
right?

Rit

"Hey, hey B, how y'all niggas be comin'
With that ol' wild shit?", huh?
I say check game playboy, I'm from the 84
Eighty fin era, eighty fin era

Where we done did that shit, know about that shit
Know about that shit, spit that shit
And it don't quit, and it won't quit
And it won't stop, and it don't stop

Fuck a hoe
Fuck a bitch
Fuck that hoe main
