When I drive back home
Remembering when we were young
There was plenty of time
We were hanging around
And then we grew apart
We got bored and moved way out town

Let's meet up in 25 years
Then we'll see what's going on
Or should we leave it untold

You know I know
Go
I know You know
Go

We used to laugh about school
And we hung out at the old factory
There was plenty of time
We were hanging around
You had to get out of town
'Cause if you stayed you'd never be satisfied

Let's meet up in 25 years
Then we'll see what going on
Or should we leave it untold

You know I know
Go
I know You know
Go
