It's hard to find out
Where to go
If no one shows you around
And you can't escape from
A bad turn
If all is done on your own

This is the new year
I've been waiting for
This is the new year
I've been longing for

So please don't tell me
That what you do
Is better done alone
'Cause you can't escape from
A bad turn
If no one shows you around

This is the new year
I've been waiting for
This is the new year
I've been longing for
