Babysitting sucks but whatever they got junk food
kung fu, egg fu, Dig Dug, a dog too
And a hot Jew, Mr. Weintraub, I mean he's old but not
dimed out
If I'm bad I'll turn around in the corner for Time Out
Aight Josh what you wanna do? You wanna watch
cartoons?
HBO got Platoon, hey get back in the room!
I assume your folks are gonna be out late, go make me
Kool Aid
I'm a sit on the couch and masturbate then call my
boyfriend Gabe and see if he ate
Spit out my Bubbalicious and get to one of them big
fridges that could fit 10 midgets
Damn they're rich, hey she left me fifty dishes-bitch!
Let's try on ya mom's minks think she'll miss these
Chanel links?
In high heels you look like Jar Jar Binks- go play under
the sink
(I want my mommy and daddy!) I want your daddy as
well
But if you tell, you'll die of sickle cell and
God told me you're goin straight to hell
Well if you don't like it I can leave and then you'll be
alone
believe me that's what the creepy monsters want
Plus I'll be taking your TV
Put on your jammers and don't wet the bed I got a
camera
I'll take a picture and show that little girl you like Sarah
Oh and one more thing- there's been several mass
murderers spotted in the area
I'm a bad babysitter, got my boyfriend in your shower,
Woo! I'm makin 6 bucks an hour
Let's make Fluffernutters don't fuckin utter another
peep
I'll take the cookie cutter make star cookies outta ya
skin while you sleep
Keep still, I gotta check the bathroom cabinet hey what
are these pills?
I'll take the Valium Josh you take a bag and the

Tagament

Stop throwin up I'm not paid enough you clean up the rug

Is that Fluff? I told you 6 boxes of unmade Jell-O was too much

All right kid you gotta go to bed, I know its only 6 but my boy just came over and he wants me to give him head

Sit his bare ass on the couch where you watch Small Wonder

N ext time you see Vicky the spot'll be sticky

cuz I sucked his dicky and used your mom's cucumber

Don't worry I'll put it back in the Frigidaire

Scared? You can have it for supper nice and crisp in the Tupperware

No bedtime story, Gabe get off you're so horny!

Josh get in bed and Freddie Krueger might let you see your mom in the mornin

No porn and shut the shade Gabe-

One day you'll know how nice it is to get laid while you gettin paid
