Hey now now, they'll find you when you're sleeping now
now

They'll reach in and grab what you're dreamin' now
now

Cut it up and slip it back in, and I know, and I know, and
I know it

Hey now now, the smallest things are crushing me now
The crush crush crush is so comforting now
Did the earth just slam in the sun, and I know, and I
know, and I know it

Won't undo their past by walking and talking
backwards

Hey now now, we're goin' down down
And we ride the bus there and pay the bus fare
Or we find a new reason, a new way of living
And we breathe it in and try to dream again

Hey now now, we're goin' down down
And we ride the bus there and pay the bus fare
Or we find a new reason, a new way of living
And we breathe it in and try to dream again

Hey now now, they'll find you when you're sleeping,
now now
They'll reach in and grab what you're dreamin', now
now
Cut it up and slip it back in and I know, and I know, and I
know it

Hey now now, the smallest things are crushing me now
The crush crush crush is so comforting now
Did the earth just slam in the sun, and I know, and I
know, and I know it
Won't undo their past by walking and talking
backwards

Hey now now, we're goin' down down
And we ride the bus there and pay the bus fare
Or we find a new reason, a new way of living

And we shout it out and try to dream again

Hey now now, we're goin' down down
And we ride the bus there and pay the bus fare
Or we find a new reason, a new way of living
And we shout it out and try to dream again

La la la la la la la la la la la la la la lalalalaaaa

Hey now now, we're goin' down down
And we ride the bus there and pay the bus fare
Or we find a new reason, a new way of living
And we breathe it in and try to dream again

Hey now now, we're goin' down down
And we ride the bus there and pay the bus fare
Or we find a new reason, a new way of living
And we shout it in and try to dream again

Hey now now, we're goin' down down
And we ride the bus there and pay the bus fare
Or we find a new reason, a new way of living
And we shout it in and try to dream again
