Waterfall ringtone on your mobile phone  
Behind the waterfall, that's where your lost loves have  
all gone.

They're bored and waiting for you, so put on your  
shoes and

go, don't stay, you know, you know that it will be alright.  
Just leave it all behind, 'cause it will be alright.

In those abandoned towns, that's where your lost lives  
can be found.

All things you wished you had done, so put on your  
shoes and

Behind the waterfall, no one can name that thing they  
saw.

You know it's waiting for you, so put on your shoes and
