Sing Hallelujah, Hallelujah

And you'll shoo the blues away (blues away)

Cares pursue ya

Hallelujah!

Gets you thru the darkest day.

Satan lies a-waitin'

And creatin' skies of grey (skies of grey)

But hallelujah, hallelujah

Helps to shoo the clouds away

I recall in

Times when I was small in

Light and free

Jubilee days

In that sunny

Land of milk and honey

I had no complaints

While I thought of saints

So I say to all who fearful are

Sing Hallelujah

Hallelujah!

And you'll shoo the blues away (Hallelu!)

When cares pursue ya
Hallelujah!
Gets you through the darkest day
Satan lies a-waitin'
And creatin' skies of grey (Skies of grey!)
But Hallelujah, hallelujah
Helps to shoo the clouds away
Up at dawn and hit the deck
Put out your chest and straighten your neck
Gotta be clean without a speck
Tonight the admiral's comin' to check
Here this!
Here that!
Tie your shoes and square your hat
They'll give 'ya the boot if 'ya don't salute
Hup one two!
Satan lies a-waitin'
And creatin' skies of grey (Clouds o' blue!)
But Hallelujah, hallelujah
Sing Hallelujah (Hallelujah!)
Helps to shoo the clouds away
Sing hallelu-lu-lu-lu-lu-lujah!
