go go  
a-go go  
a-go go  
go go go

start the day for something  
start the day at seven ten  
waking for a living  
and the pattern starts again

its avenue b, change at tennessee  
before the city begins to swell  
at seven two four on the second floor  
is where the telephone has my bell

echo echo echo down the wire  
i can see  
i can see  
nothing else to be  
i can see  
i can see  
nothing else to be - eee

only seven letters  
only seven hours to go  
i begin to wonder now  
if there's still a place below

i file it away, handing in the tray  
so i can only be who i am  
eleven fifteen, tapping the machine  
until the calender starts to jam

echo echo echo down the wire  
i can see  
i can see  
nothing else to be  
i can see  
i can see  
nothing else to be - eee

oh talking about  
oh walking about  
we'll go back to the sea  
and find what i'm about

oh  
but i'll never be someone again  
oh  
cos it happens all over again tomorrow

HIT IT

MAKE IT  
SHAKE IT  
HIT IT  
GET IT  
MAKE IT  
SHAKE IT
