Do what I want cause I can and if I don't  
because I wanna be ignored by the stiff and the bored  
because I'm gonna.  
Spit and retrieve cause I give and receive  
because I'm gonna get through your head what the  
mystery man said  
because I'm gonna.  
Hate to say I told you so.  
I do believe I told you so.  
Now it's all out and you knew cause I wanted to.  
Turn my back on the rot that's been planning the plot -  
because I'm gonna.  
No need for me to wait - because I wanna.  
No need two, three and too late - because I'm gonna.

Hate to say I told you so.  
I do believe I told you so.  
Do what I please gonna spread the disease  
because I wanna gonna call all the shots for the "No"s  
and the "Not"s  
because I wanna.  
Ask me once I'll answer twice cause what I know I'll tell  
because I wanna.  
Sound device and lots of ice I'll spell my name out loud  
because I wanna, oh yeah?
