Look out!  
I pet the cat along the whiskers  
And always go along the drain  
You'll never see me in the deep end  
If I ain't got nothing to gain  
Don't serve the fool or act the donkey  
If you allow me to explain

A guy who fight for causes worthy of a fool  
Is a fool that fight for causes that's the golden rule  
I take it to the table know all know fix know how  
But if I'm gonna do it I ain't gonna do it know

Got no time to spill  
I got a bigger hole to fill  
No I ain't got no time to spill  
I got a bigger hole to fill  
Got no time to spill  
I got a bigger hole to fill  
No I ain't got no time to spill  
I got a bigger hole to fill - I got a bigger hole to fill

You see I have a proper education  
I use enough to get me by  
I got the answer to all problems  
But I ain't even gonna try

Work hard and be honest  
Take chances and stay true  
Just add to the list of things that I ain't gonna do  
Wherever there is a question a blurry answer's here to  
find  
I say I'm gonna help you but I'm gonna change my  
mind

Got no time to spill  
I got a bigger hole to fill  
No I ain't got no time to spill  
I got a bigger hole to fill  
Got no time to spill  
I got a bigger hole to fill

No I ain't got no time to spill  
I got a bigger hole to fill  
I got a bigger hole to fill

Got a bigger hole to fill (x3)  
I got no time to spill

He's got no time to spill  
He's got a bigger hole to fill  
I got a bigger hole to fill  
No he's got no time to spill  
'Cause I got a bigger hole to fill

Got no time to spill  
I got a bigger hole to fill  
No I ain't got no time to spill  
I got a bigger hole to fill
