So you go by
i cannot lie
pounder for maze
the truth's away

I sure know how this things will shift
I even know the time of day
it's not a question of quantity
more sure a question of quality

oh mommy mommy, hey daddy daddy
you're both second hand assumptions
oh mommy mommy, hey daddy daddy
you're both genepool convulsions

I'm not so dumb

i got a thumb
but on the phone
apposable
but in re-dealing on the daily road
superiority is nothing but
a friendly man with monkey hands
a friendle mom with monkey pawns

oh mommy mommy, hey daddy daddy
you're both second hand assumptions
oh mommy mommy, hey daddy daddy
you're both genepool convulsions
