So in the morning (Giddy up)
And in the evening (Giddy up)
We take the matter (Giddy up)
Back in the saddle (Giddy up)
Bedtimes are harder (Giddy up)
We throw a party (Giddy up)
We climb that ladder (Giddy up)
Back in the saddle (Giddy up)

Now look at all the fun
Now look at all the fuss
This town ain't big enough
Not for the both of us
We fight and disagree
We get so tired see
We're just a fusion babe
Be the solution babe

A only way to reconcile
Is to get back in the saddle for a little ride

Giddy up now
So in the morning (Giddy up)
And in the evening (Giddy up)
We take the matter (Giddy up)
Back in the saddle (Giddy up)
Bedtimes are harder (Giddy up)
We throw a party (Giddy up)
We climb that ladder (Giddy up)
Back in the saddle (Giddy up)

Now look at silly me
Now look at silly you

To avoid a problem call
We only make a song
But I'm a said us such
That I dont mind too much
Like how we fight it hon'
Ride of to the sun

A only way to reconcile
Is to get back in the saddle for a little ride

Giddy up now
So in the morning (Giddy up)
And in the evening (Giddy up)
We take the matter (Giddy up)
Back in the saddle (Giddy up)
Bedtimes are harder (Giddy up)
We throw a party (Giddy up)
We climb that ladder (Giddy up)
Back in the saddle (Giddy up)

(Giddy up)
(Giddy up)
(Giddy up)
(Giddy up)

A only way to reconcile
Is to get back in the saddle for a little ride

So in the morning (Giddy up)
And in the evening (Giddy up)
We take the matter (Giddy up)
Back in the saddle (Giddy up)
Bedtimes are harder (Giddy up)
We throw a party (Giddy up)
We climb that ladder (Giddy up)
Back in the saddle (Giddy up)

So in the morning (Giddy up)
And in the evening (Giddy up)
We take the matter (Giddy up)
Back in the saddle (Giddy up)
Bedtimes are harder (Giddy up)
We throw a party (Giddy up)
We climb that ladder (Giddy up)
Back in the saddle (Giddy up)

(Giddy up)
(Giddy up)
(Giddy up)
(Giddy up)
