Do what I want cause I can and if I don't
Because I wanna
Be ignored by the stiff and the bored
Because I'm gonna
Spit and retrieve cause I give and receive
Because I wanna
Gonna get through your head what the mystery man
said
Because I'm gonna

Hate to say I told you so
ALRIGHT
Come on
Do believe I told you so
Now it's all out and you knew
Cause I wanted to

Turn my back on the rot that's been planning the plot
Because I'm gonna
No need for me to wait
Because I wanna
No need two, three, too late
Because I'm gonna

Hate to say I told you so
ALRIGHT
Come on
Do believe I told you so

Do what I please, gonna spread the disease
Because I wanna
Gonna call all the shots for the 'no's and the not's
Because I wanna

YEAH

Ask me once I'll answer twice
Cause what I know I'll tell
Because I wanna
Sound device and lots of ice
I'll spell my name out loud

Because I wanna

OH YEAH
