Do what I want cause I can and if I dont - because I
wanna
Be ignored by the stiff and the board - because Im
gonna
Spit and retrieve cause I give and receive - because I
wanna
Gonna get through your head, its what the mystery
man said - because Im gonna

Do believe I told you so- ALRIGHT
Come on
Do believe I told you so
Now its all out and you know
Cause I wanted to

Turn my back on the rot thats been planning the plot -
because Im gonna
No need for me to wait - because I wanna
No need to be too late because Im gonna

Hate to say I told you so - ALRIGHT
Come on
Do believe I told you so

Do what I please, gonna spread the disease - because I
wanna
Gonna call all the shots, all the nos and the nots -
because I wanna

YEAHHHHHHHHHHH

Ask me once I'll answer twice, cause all I know I'll tell
because I wanna
Sound device and lots of ice, Ill spell my name out loud
- because I wanna

OH YEAHHHHHHHHHHHHHHHH
