Hello ones,

Hello ones,

This is your captain speaking.

I got a chip on my shoulder the size of a boulder and  
I'm gonna have to get it off.

D'you know what I'm gonna tell you?

That bigger is better and smaller is impossible to find.

I'm gonna tell you that a tired old voice is better than a  
screaming one,

What a hoax.

Listen,

Listen, listen, listen,

This just in.

Take good care of your pearly whites and I'll let you  
in on a little secret.

I had to walk up a bunch of stiffes just to get here  
but it merely meant I had to walk a mile in style to  
walk an eternity like a king.

Don't let them lead you astray,

Never let them put you away,

Laugh at everything when people say they'll resist you,

And we don't regret a single thing.
